

Leadership in a Season of Hope

Advent 2024

Messiah

by George Frideric Handel

Through the lens of 'Leadership in a Culture of Grace,' Westwood will explore powerful images of leadership found in Messiah by George Frideric Handel.

We spark imaginations about how God may be guiding us, turning our hearts toward grace, hope, and peace.

Join us at 9:00 am (Organ-led) & 11:00 am (Worship Team-led). Livestream is available for both times.

Each Sunday, our choir and guest musicians will bring scripture to life from selections of Messiah, weaving musical storytelling into worship.

December 1: Wonderful Counselor

Through God as Counselor, we find guidance, comfort, and support as we journey through life.

December 8: Almighty God, Everlasting Father

God's might and strength come through love and humility, lighting our path even in the darkest times.

December 15: Shepherds and Messengers (Children's Program)

The shepherds and angels share the message of God's presence and invite us to do the same.

December 22: Prince of Peace

God's peace brings healing, unity, and rest, renewing us to lead in grace and love.
